## PROGRAM

This year's one-hour program will begin promptly at 12:00 p.m. and end at 1:00 p.m. The program will feature our keynote speaker, **Priya Bathija**, a nationally recognized healthcare leader, attorney and policy expert.

During the program you will have an opportunity to **Open Your Heart** and show your commitment to heart health and the mission of the American Heart Association by making a meaningful personal gift. This year, the American Heart Association hopes to inspire 100% giving in the ballroom, so raise your paddle high to show your support.

## WHAT TO WEAR

**RED** of course! Bold head to toe or just a fun pop, we will create a sea of red to symbolize coming together for a common cause. Business professional or business casual attire is encouraged. Don't forget your red dress pin or grab one upon your arrival.

## PURSEONALITY AUCTION

The **Pursonality** auction is a silent auction that highlights the personalities of local heart heroes. The auction will be open for bidding on February 19, 2025 at 12:00 p.m. and will close on February 20, 2025 at 12:00 pm. Visit [our website](#) to browse and place your bids once the auction is open!

Upon close of the auction, winners will be notified via text. Items will be available for pick-up at the close of the event.

## PARKING

Numerous parking options are available surrounding the Hilton Columbus Downtown. However, we recommend the following option:

**Vine Street Garage:** Enter Vine Street Garage in your GPS (45 Vine Street, Columbus, OH 43215). Access the garage off Vine Street and enter the 401 Tower of the Hilton. From there, follow the signage and take the Sky Bridge across High Street (you won't even have to step outside!) to the new 402 Tower. Take the elevator or escalator to the 4th floor to enter the Kojo Kamau Ballroom in the Hilton Columbus Downtown.

Feel free to use this [link](#) to monitor the number of available spaces in the Vine Street garage prior to making your way to the venue. If you prefer to park in a different garage, various options are listed in the same link.
