This year's program will begin promptly at 12:00 p.m. and end at 1:00 p.m.

During the program you will hear three local survivor stories and have an opportunity to **Open Your Heart** and show your commitment to heart health and the mission of the American Heart Association by making a meaningful personal gift. This year, the American Heart Association hopes to inspire 100% giving in the ballroom, so raise your paddle high to show your support. Double your support by submitting a matching gift through your company. Don't know if your company has a matching gift program? Visit our Matching Gifts website [here](#).

RED of course! Bold head to toe or just a fun pop, we will create a sea of red to symbolize coming together for a common cause. Business professional or business casual attire is encouraged. Don't forget your red dress pin or grab one upon your arrival.

The **Purseonality** auction is a silent auction that highlights the personalities of local heart heroes with purse-themed packages. The auction opened for bidding on February 6 at 2:00 p.m. and will close on February 12, 2026, at 1:30 pm. Visit our website to browse and place your bids!

Exciting and fun items in our packages this year include: exclusive Victoria's Secret Fashion Show tickets; a VIP experience for Red, White & BOOM! viewing; diamonds and designer bags.

Upon close of the auction, winners will be notified via text. Items will be available for pick-up at the close of the event or can be dropped off at a later date.
